

The following list is comprised of people whom the Circuit Clerk's Office has been unable to find in order to return money. These are people who posted bond money on a court case and at the conclusion of that case we could no longer find that person. These are bonds that have been posted since 12/1/2006. They are called 'Abandoned Bonds'. Abandoned Bonds will be turned over annually to the County Treasurer on the 30th of November.

Until that time, if you are the rightful owner, you may claim your money from our office by contacting us at (217) 384-3725; we will then let you know what documentation you will need to provide to claim your money from us.

After that time, contact us, and we can verify the status of the Abandoned Bond, and inform you how to pursue your money from the County Treasurer.
